Cancellations

Because a reservation guarantees space on a trip, we sometimes have to turn others away for those same dates. Thus, cancellations must be made at least two weeks prior to the trip dates in order to receive a full refund of the reservation deposit. Any cancellations made after the two-week cut off and up to 72 hours before the trip will forfeit $20 per person. To cover our costs, we must charge the full trip amount for any cancellations made less-than 72 hours before the trip. This policy includes lessening the number of participants in your party.

We will refund your entire trip amount if we must make a cancellation due to adverse weather. Please be aware that weather cancellations are made only by our guides, based on how climbing and canyoneering conditions are affected.
